**Parent/Fan Tents** can be placed in the beach area near the finish line area. Tents can be dropped off at the finish line beach area on Thursday or Friday. There will not be assigned tent spaces, and tent placement first comes/first served. **Tents must be set up BEHIND the chalk line on the ground and NOT along the shoreline.** Teams are encouraged to have no more than two 10x10 tents per team as space is limited. Please REMEMBER, we have ELEVEN teams in the conference, and we need to make space for each program. Tents will be removed by park officials if placed too close to the water or near the jumbotron.
