

SMALL BOAT SELECTION GUIDE

Below is a chart Club boats (1x, 2x, 2-, 4x) for members to determine which boat is best for them

First - determine the **SIZE** of boat you need (lightweight, midweight, heavyweight)

Open = any weight (up to 240#)

Lightweight = under 155# (no ltwt boats at this time)

Midweight = 155-185#

Heavyweight = over 185#

Second - determine your **SKILL LEVEL** (Beginner, Novice, Intermediate, Competition)

Beginner = learn to scull/row

Novice = sculling one year or less

Intermediate = sculling 1+ years

Competition = goal is to race a small boat

***NOTE** - you can row a skill level **DOWN**, but you cannot row a skill level **UP** if you are not ready
